

# Mount Lourdes Grammar School Enniskillen PRIZE NIGHT 2012

Our annual Prize-giving Ceremony took place on Thursday 22<sup>nd</sup> November 2012. This is an important event in our school calendar when we gather together to celebrate the achievements of our students.

We were delighted to welcome Ms Olivia Cosgrove as Guest Speaker. Ms Cosgrove, a Chartered Accountant and Taxation Consultant, is the founder of the organisation, Donor2Deed. She holds a senior position on a Rapid Response Panel led by the Irish Government to help UN agencies in international emergencies. Olivia has worked in a number of major humanitarian disasters worldwide since 1995 and has been commended by the United Nations for her work.
