Prize Night 2015

Congratulations to all those students who received awards at this year's Prize Night ceremony.

We were delighted to welcome Majella Corrigan as our guest speaker. A past pupil of Mount Lourdes, Majella is currently employed by CCEA as Programme Manager. She managed the review of GCSE and A Level examinations in 2013 and was the first Education Officer in Stormont.

Music was provided by the Chamber Choir, Grupa Ceoil and Brass Trio and a group of students performed traditional Irish dance.
